## **Make an Impact on our Community**

Air shows are one of the best attended spectator events in the world. They bring people to you, to a place where you can promote your business to key audiences, increase your visibility, and support a popular community event all ages love. If you want to make an impact on our community and be identified with popular charitable causes, please consider becoming a sponsor of the Nelson Mandela Bay Air Show.

## **How You Can Help**

Your sponsorship of the Air Show offers you the opportunity to present your message to a wide audience in a unique way. It is a sound investment in your community that offers long-lasting returns in greater customer visibility and continued support to our philanthropic partners.

We invite you to join us as a partner in the most eagerly anticipated event in the Nelson Mandela Bay Metropole, the return of our next NMB Air Show.

We will require the following goods and services on the day, that if you are able to assist or sponsor would be appreciated and help to keep costs down, which we can then negotiate a package, such as:

- Big Screens
- Crowd Control Barriers / Speed Fences
- Generators
- Motor Vehicles & Golf Carts to transport Airshow Pilots & VIP Guests to and from Airshow to Aircrafts, and transport injured, sick and so forth in the Airshow grounds
- Printing of Programmes, Posters & Banners
- Security
- Waste Management / Skips / Removal / Wheelie Bins
- Portable Toilets
- Avgas, Mogas, Jet Fuel, Bowsers and Oil
- Standby Plumber
- Standby Electrician
- Standby Aircraft Maintenance Organisation
- Security Services
- Prizes for Lucky Draws
- Aircraft use for Static Display or as part of Airshow

We would like to make it a win-win for everyone involved.
